

# MON VALLEY DISTRICT 20th ANNUAL MERIT BADGE UNIVERSITY

**This year's MBU will be held on Saturday March 10, 2018 at California University of Pennsylvania.**

**We are looking for counselors for this year's event. Here are the requirements:**

- 1. No required badges will be taught.**
- 2. Please make sure you communicate to us all requirements that need to be done before the event.**
- 3. Please be willing to make yourself available after the event to finish any work that a Scout may need to submit to you.**
- 4. Classes can be half or full day.**

**We tend to limit the class size to around 20 so you will not be crushed by 40 or 50 Scouts. This event has always been more about the quality that we provide and not the quantity of badges that we do. Registration will be done online through the Councils web site. The event is open to all registered Scouts. Lunch is provided.**

**If you are interested, please let me know as soon as possible. Our goal is to have registration open by January 1, 2018.**

**Help us make our 20<sup>th</sup> event the best ever!**

**Thanks,**

**Mike Brigode**
